Jl. Kh. Agus Salim No. 41, Kec Gempol, Kab. Cirebon

I am currently enrolled in my fifth semester of UCIC's Informatics Engineering degree program. In my capacity as a passionate individual with a keen interest in the development of mobile and web applications, I welcome this opportunity. I am confident that I can take advantage of the knowledge and experience gained in my studies to make a meaningful contribution to the project.

Education Level

Senior High School 1 of Palimanan - Cirebon, West Java, Indonesia <i>Natural Sciences Major</i>	Sep 2018 - Jul 2021
Catur Insan Cendekia University - Cirebon, West Java, Indonesia <i>Bachelor Degree in Informatics Engineering, 3.82/4.00</i>	Sep 2021 - Dec 2025 (Expected)
